- ACCESS PROHIBITED except for:
  - Vehicles responding to an emergency
  - Plant Operations vehicles (eg Grounds, Utilities) if required to complete job assignment

### U-M Business Vehicle Parking

- Regular vehicle parking is provided throughout campus. Please be mindful of the time you will require. Those who intend to park over two hours should use a structure or park **legally** outside of the critical core area (red zone).
- Two-hour business vehicle parking spaces have been established in 17 campus lots. Vehicles parked over the time limitation will be subject to a parking citation.
- Remember that U-M Business Vehicles are permitted to park in any available orange, yellow or blue parking lots. Parking in structures is encouraged to allow maximum service vehicle parking in lots.

### General Information

- If the space is not signed, the University does not consider the space to be legal parking.
- To report illegal parking, contact U-M Department of Public Safety at 734/763-1131 or the City of Ann Arbor Parking Enforcement Office at 734/994-2908.

### Bagging Meters

#### University

Bagging of University meters is an option when there is a need for access to make deliveries of equipment or to perform work.

- A minimum of three days prior notice is required.
- Note the meter number(s) or ParkMaster space number(s) and the lot number (located below the entrance sign).
- Phone 734/647-3615 for assistance.

#### City of Ann Arbor

For assistance to bag CITY meters, phone 734/761-7235 or fax 734/668-6479.

### Lane/Street Closure

#### University Street – Street Closures

On University streets, lanes may be closed **only** if no other alternatives are available to complete a job assignment.

- A minimum of seven days prior notice is required.
- Contact the University of Michigan Department of Public Safety at 763-3434
